The work must be original (concept, design and execution by the artist). The accepted work should demonstrate compositional and drawing skills, as well as ability to use colour from a pencil source.

Eligible

Only the original work can be accepted for hanging.

Any photographic reference used as the entire or majority source must be taken by the artist or used with the express permission of the copyright owner. The artist, by confirming on the entry form, is verifying that any work they submit meets these criteria; the Society has the right to refuse to accept works that it believes do not meet all the above specifications or other conditions set in this prospectus. Should an accepted piece be challenged as to the eligibility, it is the artist's responsibility to provide evidence that the work complies, or that work will be disqualified. The Society reserves the right to refuse to exhibit any work not of the standard shown in the entry submission.

Framing

Due to restricted hanging space, pictures submitted for this exhibition should not exceed 80cm, measured to the outside of the frame either horizontally or vertically.

Pictures must be securely framed.

There are two hanging methods at the Pencil Museum in order to utilise all the available space. Hanging on the back wall will be done using D-rings. Other pictures will be hung on display boards and should have mirror plates attached. You can choose to frame your picture with either option, but the hanging team reserve the right to change the hanging device to fit the pictures into the space available.

The following are inadmissible: metal frames, unprotected glass edges, non-reflective glass, clip frames.

The Society and the Gallery reserve the right to refuse to exhibit any pictures which are not suitably framed for exhibition. Pictures MUST be clearly labelled with the artist's name, address, title of the picture and price on the reverse. Full hanging instructions will be provided.
